About Us:

CDS Group of Companies is the single contact for National and International clients looking for efficient and cost-effective supply-chain solutions for the Canadian market.

Specializing in our world class Ambient, Refrigerated, and Frozen warehouse and distribution services operation for the food and beverage industry, we have expanded our services to include freight and transportation management, customs brokerage, pick and pack fulfilment, cross-docking and transloading. A true "one-stop shop" operation, we can handle products from grocery to consumer goods for any company looking to improve their supply chain throughout Canada and from Canada to cross-border and international markets.

What You'll Do:

- Accurately and efficiently picking various orders, using forklift and by hand.
- Inspect all items for defects or mislabels.
- Identify all products and locations by using vendor, item #s, pack size, code dates, and descriptions to ensure product is moved to correct location.
- Daily loading / unloading product from trucks.
- Safely operate a counterbalance forklift in a fast-paced environment.

Who You Are:

- Able to lift up to 50 lbs. on a regular basis.
- Detail oriented and able to maintain high standards of accuracy.
- Able to work in a multi-temperature work environment.
- Able to follow and understand verbal and written directions.
- **Forklift experience required (counterbalance truck).**
- Prior experience in food products warehousing is an asset.
- Reliable transportation required, as transit is limited outside of peak hours.
