- Maintain good working relationship with customers, handling inquiries promptly, courteously, and effectively.
- Process and input customer orders in Warehouse Management System (WMS).
- Maintain inventory accuracy in the system daily.
- Maintain current knowledge of product and services.
- Evaluate and respond quickly to customers' requests.
- Proactively work with internal operations teams to ensure customers are kept up to date on order status.
- Ensure accuracy in terms of client information.
- Provide product and service reports by collecting and analyzing customer information.

Who You Are:

- Available to work flexible working hours when required to cover for sick calls and vacation.
- Flexible to travel between warehouses.
- Well-organized, detail and customer-oriented self-starter, with 2+ years of customer service experience.
- Able to multi-task and prioritize tasks.
- Experienced in multi-temperature warehousing or food distribution is an asset.
- Experience in using WMS (Warehouse Management System) is an asset.
- Have an excellent command of business English, both oral and written.

- Possess the analytical ability to research problem areas and special requests.
- Can exercise sound judgment, work well independently, prioritize duties, follow through tasks to completion.
- Possess intermediate knowledge of Microsoft Office suite of products.
- Possess post secondary education in related field or equivalent combination of skills and experience is an asset.
- Able to pass criminal background check.
